Description

20-Way Electric Heated Front Seats w/Memory, Heated steering wheel, Navigation system: InControl Navigation Pro, Power Liftgate, Power moonroof, Radio: Meridian Sound System. 2023 Land Rover Range Rover Sport SE Fuji White. Experience the refined performance and undeniable presence of this pre-owned 2023 Range Rover Sport, now available at Jaguar Land Rover Schaumburg. With only 22,143 miles, this SUV presents an opportunity to acquire a nearly-new example of luxury and capability. The exterior is finished in crisp Fuji White, providing a striking contrast to the sophisticated and tactile Ebony Leather interior. This vehicle is exceptionally equipped, featuring desirable additional options such as Park Assist, a Heated Steering Wheel, Front Fog Lamps, and a Tow Hitch Receiver to enhance both daily driving and weekend adventures.

Performance

The 2023 Range Rover Sport is engineered for dynamic driving, blending on-road agility with legendary off-road capability. Typically powered by a smooth and potent Mild Hybrid Electric Vehicle (MHEV) inline-six engine, it delivers responsive acceleration and confident passing power, all managed by a seamless 8-speed automatic transmission and standard All-Wheel Drive. Dynamic Air Suspension provides a peerless ride quality, automatically adjusting to road conditions, while the Terrain Response® system ensures optimal vehicle settings for various surfaces, from paved roads to rugged trails. The added Tow Hitch Receiver underscores its versatility, offering a substantial maximum towing capacity.

Design

Exuding modern luxury, the Range Rover Sport's design is characterized by its reductive, contemporary aesthetic. The sleek profile in Fuji White highlights the clean lines and muscular stance. Inside, the cabin is a sanctuary of premium materials and craftsmanship. The Ebony Leather seating and interior trim create a dark, sophisticated atmosphere, emphasizing the vehicle's cockpit-like, driver-focused layout.

Every element is thoughtfully integrated to enhance the sense of calm and refinement.
Technology
At the heart of the cabin is the curved 13.1-inch Pivi Pro infotainment system, which offers intuitive control over media, navigation, and vehicle settings. Standard features include wireless Apple CarPlay® and Android Auto™ for effortless smartphone integration. The digital driver display provides customizable, high-resolution graphics, ensuring all critical information is available at a glance, maintaining the Range Rover Sport's commitment to high-end connectivity and digital convenience.
Advanced Safety Features
A comprehensive suite of advanced safety features provides peace of mind on every journey. Standard technologies include Emergency Braking, Lane Keep Assist, Blind Spot Assist, and Adaptive Cruise Control with Steering Assist. The added Park Assist feature elevates convenience by intelligently steering the vehicle into parallel or perpendicular parking spaces, reducing driver effort in challenging urban environments.
Convenience and Comfort
This Range Rover Sport is tailored for comfort, particularly with the inclusion of the optional Heated Steering Wheel, a welcome feature for cold Schaumburg winters. The cabin boasts generous space for up to five passengers, along with features like multi-zone climate control. The practical Front Fog Lamps enhance visibility in inclement weather, adding an extra layer o
