Description

This 2025 Defender 110 S was previously part of our dealership's service loaner fleet and is now available as a Land Rover Approved Certified Pre-Owned SUV. Still new and untitled, it remains eligible to be leased and allows qualifying buyers to take advantage of the trade-in sales tax credit available with a new vehicle purchase. It has a Clean CARFAX and is backed by the Land Rover Approved Certified Pre-Owned Program with warranty coverage through August 19, 2030, including unlimited mileage. Finished in Gondwana Stone with an Ebony Resist interior, this Defender originally carried an MSRP of $72,628. Highlights include Pivi Pro with wireless Apple CarPlay and Android Auto, navigation, panoramic roof, heated front seats, Blind Spot Assist, and advanced driver assistance technology. This example is especially well equipped with Air Suspension, the Cold Climate Pack, Tow Hitch Receiver, Black Fixed Side Steps, 20-inch Diamond Turned wheels, full-size spare, and the Premium Interior Protection Storage Pack. As one of the most capable SUVs on the planet, the Defender combines serious off-road ability with impressive everyday comfort, technology, and unmistakable style. Contact us today to schedule your personal test drive.
