With only 4,375 miles on the odometer, this Defender 110 S has been meticulously maintained and remains in showroom condition. The 2.0L turbocharged engine paired with an 8-Speed Automatic transmission and available all-wheel drive delivers capable performance with modern efficiency. Gray exterior finish complements the premium interior appointments throughout the cabin.

The comprehensive package features elevate everyday driving with refined comfort and advanced convenience. Air suspension technology works in concert with electronic stability control and adaptive dynamics to provide a composed ride across varied terrain. The dual-zone automatic climate control,

heated and cooled front seats, and heated steering wheel create an environment tailored to occupant preferences year-round. The Cold Climate Package includes heated windscreen technology for optimal visibility in demanding weather conditions.

Interior refinement is evident throughout the cabin. The Meridian sound system with eleven speakers delivers quality audio performance, while the navigation system provides real-time route guidance. Apple CarPlay and Android Auto integration keeps your devices seamlessly connected. Premium leather appointments, power-adjustable front seats with memory settings, and leather-wrapped steering wheel combine to create an upscale driving environment.
