Description

This 2026 Land Rover Defender 130 X-Dynamic SE represents a sophisticated choice for those seeking capability, refinement, and versatility in a seven-passenger vehicle. With only one previous owner and a clean Carfax history, this Defender arrives ready to deliver years of dependable service while retaining the factory warranty for added peace of mind. - Clean Carfax with one previous owner - Still under factory warranty - 3.0L I6 engine with 8-speed automatic transmission and AWD - Connected Navigation PIVI Pro with Apple CarPlay Android Auto - Meridian surround sound system with 15 speakers and SiriusXM - 12-way heated and cooled electric memory front seats with ventilation - Heated steering wheel with memory and telescoping adjustment - Adaptive suspension with four-wheel independent design - Auto high-beam headlights with automatic on/off capability - Full suite of airbags including overhead protection - 4-wheel disc brakes with ABS and electronic stability control - Power moonroof for abundant interior light - 20' satin dark grey alloy wheels - Three-row seating with split-folding rear configuration - Advanced climate control with front dual-zone and rear air conditioning The interior environment balances comfort with functionality. Dual-zone automatic climate control maintains separate temperatures for driver and passenger, while rear air conditioning ensures all occupants travel in comfort across lengthy journeys. The 12-way heated and cooled front seats provide personalized thermal comfort, complemented by a heated steering wheel during colder months. Premium audio comes through the Meridian surround sound system with 15

speakers, offering crisp reproduction of your entertainment. Navigation integrates seamlessly with smartphone connectivity through Apple CarPlay and Android Auto, keeping you informed and in command of your route. Safety and control receive thorough attention throughout this Defender. Electronic stability control, traction control, and brake assist work in concert to maintain vehicle command during demanding conditions. The adaptive suspension with four-wheel independent design absorbs road imperfections while preserving responsiveness. Auto high-beam headlights enhance visibility during night driving, while front fog lights and rear fog lights address poor weather conditions. Four-wheel disc brakes with ABS provide confident stopping power, supported by a comprehensive array of airbags positioned throughout the cabin. Exterior styling features the commanding black finish accented by 20-inch satin dark grey alloy wheels that convey purposeful design. Heated power door mirrors with auto-dimming capability reduce glare and eliminate frost obstruction. Rain-sensing wipers automatically adjust their operation to precipitation intensity, while the power moonroof floods the cabin with natural light. Body-color bumpers integrate seamlessly with the overall design, maintaining visual cohesion from every angle. Seating flexibility accommodates your evolving needs with three rows of passenger capacity. Front bucket seats with heating, ventilation, and 12-way power adjustment allow each occupant to find their ideal position. Split-folding rear seats expand cargo versatility when passenger space isn't required. Remote keyless entry, HomeLink garage door transmitter, and illuminated entry points make accessing and starting your vehicle straightforward during any time of day. With just over 5,000 miles on the odometer, this Defender remains essentially new, offering the latest refinements and technology without compromise. The combination of one previous owner, a clean title, and factory warranty coverage provides assurance that this vehicle has been properly maintained and cared for. Schedule your visit to examine this distinctive seven-passenger offering and discover how the 2026 Defender 130 X-Dynamic SE meets your transportatio
