Description

One Owner! Reaquired Vehicle. Balance of Factory Warranty. Recent Arrival! 4-Zone Climate Control, Black Contrast Roof, Cabin Air Purification Pro, Electric Rear Side Window Sun blinds, Front Center Console Refrigerator Compartment, Hot Climate Pack, Navigation system: Pivi Pro Connected Navigation, Premium Interior Protection & Storage Pack, Solar Attenuating Windscreen. 2024 Land Rover Range Rover SE White.
Under the hood, the Range Rover SE features a powerful mild-hybrid inline-six engine paired with an automatic transmission and intelligent all-wheel drive. An adaptive electronic air suspension and all-wheel steering work together to provide a smooth ride, effortless maneuverability in tight spaces, and impressive high-speed stability across any terrain.

The exterior displays clean lines, flush deployable door handles, and a signature floating roofline that define its iconic silhouette. Sleek LED headlights with daytime running lights, body-colored bumpers with metallic accents, and large alloy wheels emphasize its commanding presence. Inside, the cabin features premium perforated Windsor leather seating, refined trim finishes, and immaculate attention to detail.

At the center of the dash, a curved glass touchscreen runs the advanced Pivi Pro infotainment system, supporting wireless Apple CarPlay and Android Auto integration. Drivers benefit from an interactive digital display and intuitive voice activation, while a premium Meridian sound system delivers clear audio throughout the cabin. Integrated wireless device charging keeps personal electronics ready for use.

A full suite of intelligent driver assistance technologies helps keep occupants secure. Key safeguards include a surround-view camera system, adaptive cruise control, emergency braking, and lane keep assist. Additional systems such as blind spot assist, rear traffic monitoring, and driver condition monitoring actively evaluate surrounding road conditions to

maximize awareness.

Designed to cushion passengers from the outside world, the interior offers power-adjustable heated and ventilated front seats with memory settings, alongside heated rear seating. Multi-zone automatic climate control, a heated steering wheel, a panoramic glass roof, and a powered tailgate make every journey relaxing and practical.
