Description

2025 Land Rover Range Rover P530 Autobiography – Modern Luxury Meets Unrivaled Capability

The 2025 Land Rover Range Rover P530 Autobiography represents the absolute pinnacle of refined utility and executive sophistication. Finished in striking Santorini Black Metallic over a plush Perlino/Perlino interior featuring Semi-Aniline leather front seat upholstery, this factory certified flagship SUV commands attention wherever your journeys lead across the region. Designed for discerning drivers who demand effortless performance alongside immaculate craftsmanship, this low-mileage executive vehicle elevates every daily commute and weekend excursion into a sanctuary of quiet comfort. If you are interested in experiencing this magnificent luxury SUV firsthand, you can contact our luxury specialists for full vehicle details.

Refined Performance and Dynamic Capability

Under the sculpted hood resides an extraordinary 4.4L V-8 direct injection, DOHC, variable valve control, twin turbo,

premium gasoline, engine with 523HP. Paired seamlessly with an 8-speed ZF 8-Speed Automatic transmission and full-time All Wheel Drive, this high-output powertrain delivers immediate acceleration while maintaining supreme composure at speed. Exceptional ride quality is guaranteed by an auto-leveling front and rear air suspension featuring Adaptive Dynamics with eHorizon predictive ride suspension alongside Dynamic Response Pro standard ride suspension. A rear-wheel steering system dramatically enhances maneuvering in tight parking areas, while an Electronic Active Differential with TVbB electro-mechanical limited slip differential optimizes stability through high-speed turns. For extra utility, this Range Rover includes the Towing Pack with a Class IV tow rating, Tow Hitch Receiver, and Advanced Tow Assist for effortless vehicle and trailer reverse guidance.

Advanced Technology and Interior Elegance

Inside the quiet cabin, cutting-edge technology effortlessly pairs with bespoke luxury. The dashboard centers around a vivid 13.1 inch primary display running Pivi Pro Connected Navigation integrated navigation system with voice activation, complemented by a 13.70 inch Interactive Driver Display and a clear Head-up display. Rear seat occupants enjoy equal luxury thanks to a dedicated rear entertainment system featuring dual 11.4 inch second-row screens. Acoustic performance is truly world-class, powered by a Meridian Signature Sound System with 35 speakers, a 1600W amplifier, and Trifield 3D digital signal processor. Daily driver convenience is further elevated by Apple CarPlay and Android Auto smart device wireless mirroring, Qi-compatible front wireless smart device charging, a ClearSight video-feed rearview mirror, and 24-way heated, cooled, and massaging front bucket seats. Should you wish to learn more about tech features, give our team a call anytime.
