## Retailer Comments

This Land Rover won't be on the lot long! First and foremost is the striking exterior. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. The following features are included: delay-off headlights, an automatic dimming rear-view mirror, and remote keyless entry. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. We are here to help you.
