Retailer Comments

What a great deal on this 2020 Land Rover! It delivers style and power in a single package! The engine breathes better thanks to a turbocharger, improving both performance and economy. This model accommodates 5 passengers comfortably, and provides features such as: front and rear reading lights, a tachometer, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in consistently exceeding our customer's expectations. Please don't hesitate to give us a call.
