Description

2023 Land Rover Defender 90 75th Edition: Iconic Heritage Meets Modern Luxury

Celebrate decades of legendary adventure with this Factory Certified 2023 Land Rover Defender 90 75th Edition. Finished in distinctive Grasmere Green with matching 20-inch alloy wheels, this 2-door luxury SUV commands attention whether navigating city avenues or embarking on weekend getaways across the surrounding area. Designed for drivers who seek limited-edition styling without sacrificing genuine off-road capability, this model pairs heritage-inspired aesthetics with modern refinement. Inside, the Ebony interior features Resist PVU leatherette front seat upholstery and a leather-upholstered dashboard, creating a durable yet sophisticated cabin. To see this vehicle in person, feel free to find our location today.

Performance & Capability

Under the hood, this Defender features an Ingenium 3L I-6 direct injection, DOHC, CVVL variable valve control, intercooled turbo, premium gasoline, engine with 395HP. Paired with a smooth ZF 8-Speed Automatic transmission and a mild-hybrid powertrain, it yields an EPA-estimated 18 city / 23 hwy MPG. Engineered for all-terrain mastery, the full-time **All-Wheel Drive** system works in unison with an electronic two-speed transfer case and an automatic rear locking differential to provide exceptional stability across dynamic road surfaces. Suspension dynamics are actively refined by **Adaptive Dynamics** ride control alongside auto-leveling front and rear air springs. Drivers can tailor performance using **Terrain Response** selectable drivetrain modes and selectable steering effort. Confidence is further enhanced by **Dynamic Stability Control**

(DSC) with Roll Stability Control (RSC), **Hill Launch Assist**, and **Hill Descent Control (HDC)**. Additionally, towing utility is fully supported by a factory-equipped **Trailer Hitch w/Electrical Connector** and **Trailer Stability Assist (TSA)** sway control.

Technology & Connectivity

Advanced technology is seamlessly integrated throughout the cabin to elevate every drive. The centerpiece is an 11.4-inch primary display featuring **Connected Navigation PIVI Pro** integrated navigation with voice activation and real-time traffic updates. The driver receives key trip information via a 12.3-inch **Interactive Driver Display** digital instrument cluster and a clear **Head-Up Display**. Smartphone mirroring is effortless thanks to **Apple CarPlay & Android Auto**, complimented by **Front wireless smart device charging** and five USB ports. Premium sound is provided by a 700W 15-speaker **Meridian Surround Sound System** with a digital signal processor. Driver assistance systems include a **3D Surround Camera**, **ClearSight Ground View**, a **ClearSight video-feed rearview mirror**, **Adaptive Cruise Control with Stop and Go**, **Blind Spot Assist**, and **Lane Keep Assist**. For additional information regarding available tech features, you can call our showroom at (754) 296-7602.
