Performance & Capability

At the heart of this vehicle is an advanced Ingenium 3L I-6 direct injection, DOHC, CVVL variable valve control, intercooled turbo, premium gasoline, engine with 395HP. Paired with a responsive 8-Speed Automatic transmission and full-time **All Wheel Drive**, this mild hybrid electric vehicle (MHEV) provides effortless power delivery while maintaining an efficient EPA-estimated 18 city and 26 highway MPG. Dynamic road handling is bolstered by an adaptive suspension featuring Adaptive Dynamics predictive ride control and auto-leveling front and rear air springs. Further enhancing confidence across all driving conditions, the Terrain Response 2 Auto electronic stability control system with anti-roll works alongside an automatic rear locking differential and driver-selectable drivetrain modes to ensure smooth, stable traction.

Technology & Connectivity

Inside the whisper-quiet sanctuary of the cabin, modern intuitive technology keeps you seamlessly connected. Drivers are greeted by a 13.7-inch Interactive Driver Display alongside a

13.1-inch primary Touch Pro Duo monitor touchscreen. Integrated navigation via InControl Navigation Pro keeps your routes clear, while Apple CarPlay & Android Auto smart device wireless mirroring, front wireless smart device charging, and 5 USB ports keep every passenger powered up. Audio is rendered in vivid clarity through the Meridian Surround Sound system, powered by a 250W amplifier and 19 speakers. Drivers can easily apply for financing online or evaluate a trade-in offer to step seamlessly into this advanced cockpit.
