Description

The 2026 Land Rover Range Rover Velar S delivers commanding presence and refined capability in a sleek black exterior with inviting ebony leather seating. This all-wheel-drive luxury SUV combines striking design with versatile performance, powered by a 2.0L turbocharged four-cylinder engine paired with an eight-speed automatic transmission. With just over 10,000 miles, this Velar offers nearly new condition while showcasing the innovative features Land Rover engineered into this modern classic.

- 14-way heated front seats with driver memory
- Meridian sound system with 12 speakers and SiriusXM satellite radio
- Pivi Pro navigation system with Apple CarPlay and Android Auto
- Power moonroof with auto tilt-away steering wheel
- Dual zone climate control with heated steering wheel
- Emergency communication system and security system
- Four-wheel independent suspension with electronic stability control
- Auto high-beam headlights with delay-off and fog lights
- Power liftgate and tow hitch receiver
- 19-inch alloy wheels with rain-sensing wipers

This Velar combines luxury comfort with practical technology at every turn. The turbocharged engine delivers EPA-estimated 22 city / 26 highway MPG, though actual mileage may vary depending on driving habits. Visit us today to experience the

sophistication and capability of this remarkable Range Rover Velar firsthand.
