## Description

2023 Land Rover Range Rover SE P400 SWB - Clean Vehicle History Report - Land Rover Certified - 33,821 Miles Options: P400 3.0L Turbocharged Inline-6 Mild Hybrid - Short Wheelbase - All-Wheel Drive - Ecru Perforated Windsor Leather - Park Assist - 21-Inch Full-Size Spare Wheel - Premium Interior Protection and Storage Pack - Ostuni Pearl White Looking for a Land Rover Certified 2023 Range Rover SE P400 SWB for sale in Tallahassee, FL? This Range Rover has just 33,821 miles, a Clean Vehicle History Report, and Land Rover Certified status. Finished in elegant Ostuni Pearl White over an Ecru interior with perforated Windsor leather, this short-wheelbase Range Rover combines flagship luxury, refined mild-hybrid performance, and unmistakable Range Rover presence. Power comes from Land Rover's P400 3.0L turbocharged inline 6-cylinder mild-hybrid powertrain producing 395 horsepower, paired with an 8-speed automatic transmission and all-wheel drive. The P400 delivers the smooth, effortless power expected from Range Rover while maintaining the capability and confidence of a sophisticated AWD luxury SUV. The cabin is finished in Ecru perforated Windsor leather with a matching Ecru interior, complemented by a Duo Tone Ebony and Ecru headliner. The combination creates a bright, upscale environment that highlights the clean, modern design of this generation Range Rover. Factory equipment includes Park Assist for added convenience when maneuvering, along with a 21-inch full-size spare wheel. The Premium Interior Protection and Storage Pack adds useful protection and organization for daily driving and longer trips. The short-wheelbase configuration preserves the Range Rover's flagship comfort and commanding road presence while offering a more manageable overall footprint than the long-wheelbase model. Car and Driver described the 2023 Range Rover as 'suave, sophisticated, and sybaritic' and praised its elegant styling, luxurious cabin, and polished powertrains.
