Description

This 2012 Land Rover Range Rover HSE in stunning Black delivers commanding presence and refined capability. With just over 47,000 miles, this full-size luxury SUV combines a powerful 5.0L V8 engine with sophisticated four-wheel-drive engineering. The Jet interior appointed in premium Oxford leather seating surfaces creates an executive environment designed for both comfort and control.

- Audio System Upgrade with harman/kardon® Logic 7® speakers
- Climate Glass & 4-Zone Climate Control with automatic temperature management
- Blind Spot Monitoring and Adaptive Front Lighting System
- Heated & Cooled Luxury Front Bucket Seats with memory settings
- Surround Camera System with rear parking camera
- Wood/Leather Steering Wheel with wood gear knob and heating function
- 12-Piece Wood Trim with Grand Black Lacquer Finish
- Automatic High Beam Assist and auto-dimming exterior mirrors
- Navigation System with trip computer
- 20" 7 V-Spoke Alloy wheels

The HSE HSE HSE combines luxury appointments with commanding road presence. Finished in deep black with a navigation system, surround camera technology, and blind spot monitoring, this Range Rover meets both style and substance.

Head into the showroom to experience the commanding driving position and refined capabilities this iconic SUV delivers.
