Description

2023 Land Rover Defender 110 X: Unrivaled Luxury Meets Trail-Conquering Heritage

Finished in striking Santorini Black Metallic over a bespoke Vintage Tan/Ebony interior, this 2023 Land Rover Defender 110 X elevates purposeful utility into pure executive refinement. Engineered for drivers who demand a quiet, insulated sanctuary alongside exceptional composure in unpredictable weather, it delivers uncompromising ride quality on everyday commutes and distant getaways alike. Discerning travelers navigating through Miami Shores will appreciate how effortlessly the hushed cabin and supple seating isolate the interior from road vibration and changing weather conditions. Designed with an assertive stance and uncompromising attention to detail, this vehicle is ready for whoever demands true capability without sacrificing premier elegance. If you are preparing to upgrade your current vehicle, feel free to explore our pre-owned inventory or connect with our team to arrange an introduction.

Effortless Engineering and All-Terrain Poise

Under the sculpted hood rests an Ingenium 3L I-6 direct injection, DOHC, CVVL variable valve control, intercooled turbo, premium gasoline, engine with 395HP paired smoothly with an 8-Speed Automatic transmission. This mild-hybrid powertrain delivers rapid acceleration while maintaining balanced efficiency, earning an EPA-estimated 18 city and 23 hwy mpg. Power is channeled through a permanent **All Wheel Drive** system featuring a **Two-Speed Transfer Case** and an **Automatic Rear Locking Differential** to ensure optimal grip across shifting surfaces. To deliver an unruffled, serene highway ride, the vehicle is equipped with an **Adaptive Dynamics** suspension alongside an auto-leveling air suspension setup. Integrated **Terrain Response 2** software constantly evaluates surface conditions, fine-tuning throttle mapping, transmission shifting, and damper rates so every

journey remains composed, quiet, and surefooted.

Intuitive Cabin Technology and Acoustic Precision

Inside, the cabin seamlessly blends digital capability with handcrafted luxury. The dashboard is anchored by an 11.4-inch primary touchscreen operating Connected Navigation PIVI Pro, supported by an expansive 12.30-inch **Interactive Driver Display** and a clear **Head-Up Display** projecting vital statistics into your direct line of sight. Standard **Apple CarPlay & Android Auto** integration keeps communication seamless, while a front **Wireless Device Charging** pad ensures clutter-free connectivity. Audiophiles will appreciate the 700W 15-speaker Meridian Surround Sound System, tailored with digital signal processing to render studio-grade acoustics across both rows. Navigating tight maneuvers is straightforward thanks to a **3D Surround Camera** offering a 360-degree aerial perspective, complemented by a **ClearSight Video-Feed Rearview Mirror** for unobstructed rearward sightlines.

Key Highlights

Explore the standout luxury appointments and advanced engineering features built into this exceptional SUV:

- **Ingenium 3.0L Turbocharged I-6 Engine** - Delivers 395 horsepower with responsive mild-hybrid efficiency.
- **Adaptive Dynamics Air Suspension** - Automatically adjusts damping and vehicle height for exceptional ride smoothness.
- **14-Way Heated & Cooled Memory Front Seats** - Upholstered in Windsor Leather and Steelcut Premium Textile for tailored all-season relaxation.
- **Meridian Surround Sound System** - Features 15 premium speakers driven by a 700-watt digital amplifier.
- **ClearSight Rearview Mirror** - Projects an unobstructed real-time camera feed directly onto the rearview glass.
- **Interactive Driver Display & Head-Up Display** - Provides essential driver metrics and navigation right in your line of vision.
- **Sliding Panoramic Roof** - Opens the dual-row cabin to natural sky views with one-touch electric operation.
- **Terrain Response 2 Architecture** - Optimizes traction and chassis response across challenging surfaces automatically.
