Retailer Comments

Check out this great low mileage vehicle! Ingenuity, refinement, and sophistication all rolled into one vehicle. A turbocharger further enhances performance, while also preserving fuel economy. Comfort and convenience were prioritized within, evidenced by amenities such as: a rear window wiper, voice activated navigation, and the power moon roof opens up the cabin to the natural environment. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves on providing excellent customer service. Please don't hesitate to give us a call.
