## Retailer Comments

This vehicle won't be on the lot long! Both practical and stylish! The engine breathes better thanks to a turbocharger, improving both performance and economy. Top features include heated front seats, fully automatic headlights, a power liftgate, and leather upholstery. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. Stop in and take a test drive!
