Description

2023 Land Rover Defender 110 S: Refined Capability Meets Modern Luxury

The 2023 Land Rover Defender 110 S strikes a perfect balance between iconic off-road heritage and daily luxury. Dressed in sophisticated Eiger Gray Metallic exterior paint with an Ebony interior featuring **Windsor Leather Front Seat Upholstery**, this versatile luxury SUV offers elevated posture and supreme cabin quietness. Designed for drivers who demand effortless confidence whether navigating urban streets in Miami or cruising along open highways, this vehicle delivers uncompromised elegance. If you are actively shopping for an exceptional vehicle, feel free to explore our pre-owned inventory to see how this premium SUV stands out from the rest.

Performance & Capability

Under the hood lies a responsive Ingenium 2L I-4 direct injection, DOHC, variable valve control, intercooled turbo engine producing 296HP paired with a smooth ZF 8-Speed Automatic transmission. Featuring permanent **Full-time All-Wheel Drive**, an electronic transfer case with a Two-Speed Transfer Case, and Terrain Response selectable mode transmission, this Defender manages changing road conditions

with ease. The independent short and long arm front suspension and multi-link rear suspension ensure a composed, whisper-quiet ride, while achieving an EPA-estimated 17 MPG city and 20 MPG highway. Driver-selectable steering effort and features like Hill Descent Control (HDC) and Hill Launch Assist provide calm, predictable control across every journey.

Technology & Connectivity

Inside the cabin, advanced technology keeps you seamlessly connected and relaxed. Central to the dashboard is the 10.2-inch primary touchscreen running Connected Navigation PIVI Pro with voice activation, accompanied by an interactive 12.3-inch digital instrumentation display. Sound is delivered through a rich 400W 11-Speaker Meridian Sound System with a digital signal processor. Passengers enjoy intuitive integration via **Apple CarPlay & Android Auto**, front wireless smart device charging, and multiple USB ports. For safety and low-speed precision, the vehicle includes a 3D Surround Camera with ClearSight Ground View, 360 Parking Aid, and Traffic Sign Recognition with Adaptive Speed Limiter. To get started on your purchase, you can easily get pre-approved for financing online today.
