Description

This 2024 Land Rover Range Rover Sport SE delivers refined capability and comfort for the discerning driver who demands both performance and sophistication. - 3.0L I6 Engine with 8-Speed Automatic Transmission and 4WD - 20-Way Electrically Heated and Ventilated Front Seats with Memory - Meridian Sound System with 15 Speakers and SiriusXM - InControl Navigation Pro with Apple CarPlay and Android Auto - Power Moonroof - Adaptive and Auto-Leveling Suspension with Four-Wheel Independent Design - Heated and Ventilated Front Seats with Split Folding Rear Seat - Perforated Windsor Leather Seat Trim - Heated Steering Wheel - Auto High-Beam Headlights with Fog Lights and Headlight Cleaning - 21 Alloy Wheels (Style 5126) - Exterior Parking Camera with Rear View - Panoramic Sunroof - InControl Protect Emergency Communication System - Garage Door Transmitter with HomeLink Integration The Range Rover Sport SE combines commanding road presence with genuine everyday usability. With fuel economy rated at 18 city and 24 highway, this four-wheel-drive platform balances efficiency with the capability you expect from this nameplate. The adaptive suspension technology adjusts automatically to optimize ride quality whether youre navigating city streets or venturing onto varied terrain. Interior appointments reflect Land Rovers attention to detail and passenger comfort. The heated and ventilated front seats feature 20-way power adjustment with memory settings, ensuring your preferred position is instantly available. The Meridian sound system with 15 speakers and SiriusXM satellite radio brings full-spectrum audio entertainment to every journey. Leather accents, including the heated steering wheel and perforated Windsor leather trim, reinforce the premium character of your driving environment. Technology integration keeps you connected and in control. InControl Navigation Pro provides intuitive route guidance, while seamless Apple CarPlay and Android Auto compatibility ensures your smartphones function as natural extensions of the vehicles interface. The rear-view camera, homelink garage door

transmitter, and InControl Protect emergency communication system add layers of security and convenience to daily operation. The commanding driving position offers excellent visibility thanks to fully automatic headlights with delay-off function, front fog lights, and rear fog lights. Rain-sensing wipers and the power moonroof further enhance your interaction with the road environment. Electronic stability control, traction management, and four-wheel-disc braking systems work together to deliver confident handling and secure stopping power. We invite you to examine this Range Rover Sport SE in detail and experience the combination of luxury, technology, and capability it represents. Contact our showroom to schedule your test drive and discover why this vehicle merits serious consideration for your next purchase.
