Description

2024 Land Rover Defender 110 P400 X-Dynamic SE: Unrivaled Luxury Meets Legendary Capability

The **2024 Land Rover Defender 110 P400 X-Dynamic SE** represents the apex of modern luxury and rugged versatility. Finished in striking **Fuji White** over an **Ebony** interior, this factory certified SUV is engineered for discerning drivers who demand commanding road presence alongside ultimate off-road confidence. Whether navigating coastal highways or embarking on weekend getaways across regional trails, the Defender delivers an unforgettable motoring experience. Every detail reflects elite craftsmanship, from its robust aluminum body construction to its meticulously refined cabin layout. If you are ready to elevate your daily drive, reach out to our sales team today to discover everything this exceptional vehicle has to offer.

Refined Power and Trail-Ready Performance

Under the hood of this **2024 Land Rover Defender 110 P400 X-Dynamic SE** lies a potent **3L I-6 direct injection, DOHC, variable valve control, intercooled turbo, premium gasoline, engine with 395HP**. Power is seamlessly delivered through a smooth **8-Speed Automatic** ZF transmission paired with permanent full-time **All Wheel Drive**. This advanced mild-hybrid powertrain combines impressive responsiveness with refined cruising, achieving an EPA-estimated 17 mpg city and 20 mpg highway. For terrain adaptability, the vehicle features an electronic **Two-Speed Transfer Case**, **Terrain Response selectable mode transmission**, **Hill Descent Control**, and **Electronic Traction Control** alongside **Dynamic Stability Control with Roll Stability Control**. Built on a 119-inch wheelbase with independent front and rear suspension, gas-pressurized shock absorbers, and 20-inch Satin Dark Gray wheels, it balances smooth highway demeanor with effortless trail capability.

Cutting-Edge Technology and Cockpit Comfort

Inside, the **Ebony** interior blends rugged utility with high-end technology. Driver and passengers enjoy **12-Way Heated & Cooled Electric Memory Front Seats** trimmed in Grained Leather and Robustec cloth, a **Heated Steering Wheel**, and a power sliding and tilting glass sunroof. The digital cockpit centers around a **10.2-inch primary display touchscreen** equipped with **Connected Navigation PIVI Pro**, complemented by a **12.3-inch Interactive Driver Display**. Stay connected effortlessly via **Apple CarPlay and Android Auto** smart device integration and **wireless device charging**. Audio perfection comes courtesy of the **400W 11-Speaker Meridian Sound System** with a digital signal processor. Comprehensive safety and driver assistance tech includes a **3D Surround Camera** with **ClearSight Ground View**, **Adaptive Cruise Control with Stop and Go**, **Blind Spot Assist**, **Lane Keep Assist**, and **360 Parking Aid**. To experience these features firsthand, feel free to visit our showroom location for an in-person demonstration.
