You won't want to miss this excellent value! Very clean and very well priced! A turbocharger is also included as an economical means of increasing performance. Top features include leather upholstery, voice activated navigation, automatic temperature control, and cruise control. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. They'll work with you to find the right vehicle at a price you can afford. Stop in and take a test drive! Vehicles shown with stock images are intended as placeholders. Once the vehicle has arrived at the dealership and has been inspected, actual photos will be taken and displayed.
