Retailer Comments

Dealer Demo-What a great deal on this 2019 Land Rover! Both practical and stylish! The engine breathes better thanks to a turbocharger, improving both performance and economy. Comfort and convenience were prioritized within, evidenced by amenities such as: leather upholstery, telescoping steering wheel, and more. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves on providing excellent customer service. Stop by our dealership or give us a call for more information.
