Retailer Comments

What a great deal on this 2017 Land Rover! Breathtaking performance, sumptuous accommodations and jaw dropping good looks! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. It includes leather upholstery, speed sensitive wipers, fully automatic headlights, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Please don't hesitate to give us a call.
