Retailer Comments

What a great deal on this 2019 Land Rover! It delivers style and power in a single package! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. This model accommodates 5 passengers comfortably, and provides features such as: automatic dimming door mirrors, heated front and rear seats, and a blind spot monitoring system. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Stop by our dealership or give us a call for more information.
