Retailer Comments

This Land Rover won't be on the lot long! Packed with features and truly a pleasure to drive! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Top features include front bucket seats, power front seats, automatic dimming door mirrors, and leather upholstery. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.
