Retailer Comments

Check out this great low mileage vehicle! You'll be impressed by a spectacular blend of technology, style and refinement. A turbocharger further enhances performance, while also preserving fuel economy. Top features include rain sensing wipers, tilt steering wheel, a power liftgate, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
