Retailer Comments

This Land Rover won't be on the lot long! Distinctive design and opulent equipment are standard. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Top features include power front seats, delay-off headlights, 1-touch window functionality, and remote keyless entry. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales staff will help you find the vehicle that you've been searching for. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
