Retailer Comments

Looking for a used car at an affordable price? This vehicle won't be on the lot long! An awesome price considering its low mileage! The engine breathes better thanks to a turbocharger, improving both performance and economy. This vehicle has achieved Certified Pre-Owned status, by passing a comprehensive certification process. With less than 4,000 miles on the odometer, this vehicle proves competitive in its price class based on its condition and value. The following features are included: an automatic dimming rear-view mirror, power door mirrors and heated door mirrors, and cruise control. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in consistently exceeding our customer's expectations. Please don't hesitate to give us a call.
