Retailer Comments

Check out this 2019! Breathtaking performance, sumptuous accommodations and jaw dropping good looks! A turbocharger further enhances performance, while also preserving fuel economy. With fewer than 25,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Top features include front dual zone air conditioning, power front seats, front bucket seats, and remote keyless entry. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Come down to our dealership, you'll get a great vehicle at a great price, with the experience and dedication of our whole team behind you.
