Description

This 2025 Land Rover Range Rover Evoque S combines sophisticated styling with practical capability, finished in elegant Santorini Black Metallic with a thoughtfully equipped interior ready for your next adventure. - Cold Climate Pack - Technology Pack - Head-Up Display - Heated Rear Seats - Heated Windscreen - 3D Surround Camera - ClearSight Interior Rear View Mirror - Meridian Sound System with 12 Speakers - Navigation System with InControl Navigation Pro - Apple CarPlay Android Auto - Power Moonroof - Heated Steering Wheel - Heated Door Mirrors - 20" Alloy Wheels - Grained Leather Seat Trim The 2.0L four-cylinder engine paired with a 9-speed automatic transmission and all-wheel drive delivers responsive performance while achieving 20 city and 27 highway mpg. This powertrain strikes a balance between efficiency and capability, whether navigating city streets or venturing onto varied terrain. The interior prioritizes your comfort and connectivity. Heated front and rear seats ensure warmth during cold months, while the heated windscreen and heated door mirrors address winter weather conditions. The head-up display keeps essential information visible without taking your eyes off the road, and the 3D surround camera with ClearSight interior rear view mirror enhances visibility and safety awareness from multiple perspectives. Your technology needs are well supported through the comprehensive Technology Pack. The InControl Navigation Pro system offers intuitive route planning, while seamless Apple CarPlay and Android Auto integration keeps your smartphone accessible. The Meridian sound system with twelve speakers delivers quality audio throughout the cabin, and the power moonroof adds openness to the driving environment. Safety and convenience features are systematically integrated throughout the vehicle. Electronic

stability control, four-wheel independent suspension, speed-sensing steering, and comprehensive airbag coverage provide confidence during every drive. Practical touches like the power liftgate, remote keyless entry, and telescoping tilt steering wheel reflect considerate design. We invite you to experience this Range Rover Evoque S firsthand. Our team is prepared to walk you through its features, answer your questions, and arrange a test drive that demonstrates its capabilities and comfort level.
