Description

Recent Arrival! Balance of Factory Warranty. The Santorini Black 2025 Land Rover Defender 110S masterfully merges iconic all-terrain heritage with contemporary sophistication. Coated in a deep metallic Santorini Black finish and set against striking 20-inch gloss sparkle silver alloy wheels, this legendary sport utility vehicle projects an undeniable road presence. Every exterior line celebrates enduring toughness blended seamlessly with upscale refinement, creating an SUV that feels equally at home navigating elite urban streets or traversing remote backcountry trails.

Performance is governed by an advanced electronic air suspension paired with adaptive dynamics, continuously monitoring surface inputs to optimize ride quality. This state-of-the-art damping technology delivers exceptional highway composure and supreme off-road articulation, ensuring balanced handling across varied terrain. Integrated seamlessly into the chassis is a heavy-duty tow hitch receiver, granting the capability required for hauling trailers, boats, or recreational gear with absolute confidence on any journey.

Design details are amplified by the striking black exterior pack, applying darkened accents that elevate the vehicle's rugged aesthetic to sophisticated new heights. Above, the expansive power moonroof floods the cabin with ambient daylight, while configurable cabin lighting enables passengers to personalize the interior atmosphere with a tailored spectrum of hues, transforming every drive into a bespoke sensory experience.

Technology seamlessly enhances the driving experience through advanced infotainment and intuitive cabin controls designed to keep occupants connected and informed. The interior layout pairs the convenience and comfort package with the premium interior protection and storage package for five seats, offering versatile cargo management, heavy-duty floor protection, and clever storage solutions engineered to withstand the rigors of daily use and outdoor adventures alike.

Advanced safety features are engineered into every facet of the vehicle to inspire absolute confidence behind the wheel. The integrated headlight power wash system ensures optimal illumination is maintained by clearing away mud, salt, and debris, preserving maximum visibility when tackling adverse weather or unpaved tracks.

Convenience and comfort reach new heights through the comprehensive cold climate package, equipping the vehicle with a heated windscreen and heated washer jets to effortlessly clear frost and ice on freezing mornings. Front occupants will discover ultimate luxury within the front center console refrigerator compartment, providing a chilled storage space to keep beverages and snacks cold during long road trips or warm weekend excursions.

Odometer is 12287 miles below market average!
