- Pivi Pro Navigation System
- 12-Way Heated Electric Front Seats with driver memory
- Heated Steering Wheel
- Exterior Parking Camera
- Dual Zone Automatic Climate Control

This Discovery Sport S comes equipped with a 2.0L turbocharged four-cylinder engine paired with a nine-speed automatic transmission and all-wheel drive, delivering

19 city and 23 highway miles per gallon. The efficient powertrain balances performance with practical fuel economy for both daily commutes and longer journeys. The cabin reflects Land Rover's commitment to comfort and refinement, featuring DuoLeather seat trim, heated front and rear seats, and a heated steering wheel to enhance your driving experience in any season. The 12-way power driver seat with memory function allows customization for multiple users, while the navigation system and smartphone integration keep you connected to your destinations and digital life. Advanced visibility technology sets this Discovery Sport apart, including a head-up display, ClearSight interior rearview mirror, exterior parking camera, and auto-dimming mirrors that adapt to changing light conditions. Rain-sensing wipers and fully automatic headlights with delay-off functionality add convenience and safety to your daily drives. Safety and security are paramount in this model, with dual front and side airbags, knee airbags, electronic stability control, and traction control working together to protect occupants. InControl Protect emergency communication system provides additional peace of mind, while the comprehensive suite of airbags and anti-roll bars demonstrates Land Rover's focus on crash protection and vehicle stability. The white exterior finish and 18-inch alloy wheels create a modern, capable appearance that complements the Discovery Sport's refined design. Whether you're navigating city streets or venturing off the beaten path, this Discovery Sport S offers the combination of luxury, technology, and versatility that defines the Land Rover experience. We invite you to visit our showroom for a test drive and discover how this vehicle can enhance your lifestyle.
