Description

Discover the 2025 Land Rover Discovery Sport S, a meticulously crafted compact SUV that balances sophisticated design with genuine capability and everyday practicality. - Cold Climate Package - Technology Package - Head-Up Display - Heated Rear Seats - Heated Windscreen - ClearSight Interior Rearview Mirror - Meridian Sound System with 11 speakers - Pivi Pro Navigation System - Apple CarPlay Android Auto - 12-Way Heated Electric Front Seats with Driver Memory - Heated Steering Wheel - Heated Door Mirrors - Power Liftgate - 20" Alloy Wheels - Four-Wheel Independent Suspension This white Discovery Sport S arrives with a capable 2.0L turbocharged four-cylinder engine and nine-speed automatic transmission paired with all-wheel drive, delivering responsive performance with an EPA-estimated 19 city and 23 highway MPG. The sophisticated interior features DuoLeather seat trim, heated front bucket seats with power adjustment, and a heated rear seat that extends comfort to all passengers. The driver benefits from a power-adjustable seat

with memory functions, allowing your preferred driving position to be recalled automatically with each use. Technology integrates seamlessly into your daily drive through the Pivi Pro navigation system and Apple CarPlay and Android Auto compatibility, keeping you connected and informed. The Head-Up Display projects essential driving information onto the windscreen, minimizing distraction while maintaining awareness. The heated windscreen and ClearSight Interior Rearview Mirror enhance visibility in challenging weather conditions, while rain-sensing wipers automatically adjust to conditions. Safety and security remain paramount with dual front impact airbags, dual front side impact airbags, knee airbags, and overhead airbags working in concert with Electronic Stability Control and traction control. Four-wheel disc brakes with ABS provide confident stopping power, while speed-sensing steering and four-wheel independent suspension contribute to composed handling across various road surfaces. Climate control maintains passenger comfort through front dual-zone automatic temperature control and rear window defrost, while the Meridian Sound System elevates entertainment with eleven speakers. Additional conveniences include HomeLink garage door transmitter integration, power door mirrors with heating, fully automatic headlights with delay-off, and extensive storage solutions including driver and passenger door bins. Visit our showroom to experience the 2025 Land Rover Discovery Sport S firsthand and discover how this refined SUV brings capability and comfort into perfect balance for your lifestyle.
