Description

The 2026 Land Rover Range Rover Evoque S in Blue delivers refined capability with a sophisticated approach to luxury compact performance.- Dynamic Handling Package,- Adaptive Dynamics with Configurable Dynamics,- Black Exterior Pack,- 21" Gloss Dark Grey Style 5137 Wheels,- Shadow Grey Ash Veneer,- Meridian Sound System with 12 Speakers and SiriusXM,- Apple CarPlay & Android Auto Integration,- InControl Navigation Pro with Rear Parking Camera,- 12-Way Heated Electric Front Seats with Driver Memory,- Power Moonroof,- InControl Protect Emergency Communication System,- Heated Door Mirrors with Auto-Dimming Capability,- All-Weather Capability with Four-Wheel Independent Suspension,- Grained Leather Seat Trim with Split-Folding Rear Seat,- Speed-Sensing Steering with Electronic Stability Control...Engineered with a 2.0L turbocharged engine paired to a 9-speed automatic transmission and all-wheel drive, this Range Rover Evoque delivers responsive performance when you need it and efficient operation during daily driving. The

Dynamic Handling Package combined with Adaptive Dynamics and Configurable Dynamics provides precise control across varying road conditions, while speed-sensing steering adjusts responsiveness to your driving style. This vehicle achieves an estimated 20 city and 27 highway miles per gallon, balancing capability with efficiency. The interior reflects Land Rover's commitment to refined comfort. Twelve-way heated electric front seats with driver memory ensure personalized positioning on every journey. Premium grained leather trim, a leather steering wheel, and leather shift knob create an elevated ambiance. The Meridian sound system with 12 speakers and SiriusXM radio brings quality entertainment, while seamless Apple CarPlay and Android Auto integration keeps you connected. Advanced technology enhances both convenience and safety. InControl Navigation Pro provides intuitive route guidance, while the rear parking camera assists with precision maneuvering. InControl Protect emergency communication system offers peace of mind. The auto-dimming rear-view mirror, rain-sensing wipers with variable intermittent operation, and fully automatic headlights with delay-off and auto high-beam function optimize visibility and safety. HomeLink garage door transmitter integration adds practical convenience. The Shadow Grey Ash Veneer trim and Black Exterior Pack establish a purposeful aesthetic, complemented by 21-inch Gloss Dark Grey Style 5137 wheels that command attention. Heated power door mirrors with auto-dimming capability, a power liftgate, and comprehensive lighting including front fog lights and rear fog lights reflect the careful design attention throughout. This 2026 Range Rover Evoque S combines capable engineering, thoughtful technology, and genuine luxury to support an active lifestyle. We invite you to experience the refinement and performance this vehicle offers.
