Vehicle must have minimum one year of coverage at point of sale

The 2.0L turbocharged four-cylinder engine paired with an eight-speed

automatic transmission and all-wheel drive provides responsive performance while delivering 22 city and 26 highway MPG. This powertrain balances efficiency with the capability you expect from a Range Rover, making every journey smooth and controlled across varying road conditions. Interior comfort extends throughout with heated and cooled front seats, a heated steering wheel, and automatic temperature control featuring front dual-zone capability. The power driver seat includes memory settings, allowing you to personalize your position instantly. Navigation via Pivi Pro keeps you connected and informed, while steering wheel-mounted audio controls provide convenient access to your entertainment without distraction. Safety and handling are paramount with electronic stability control, four-wheel independent suspension, speed-sensing steering, and comprehensive airbag protection throughout the cabin. Anti-roll bars front and rear, combined with four-wheel disc brakes and ABS, ensure confident braking and handling characteristics. Multiple camera systems and advanced visibility features, including rain-sensing wipers and rear window wiper, maintain awareness in all weather conditions. The exterior reflects premium craftsmanship with body-color bumpers, heated door mirrors with turn signal indicators, and auto-dimming capability. Nineteen-inch Satin Dark Grey alloy wheels showcase contemporary styling while maintaining the commanding presence this vehicle deserves. The power moonroof opens your driving environment to natural light and fresh air, adding to the overall sense of openness and luxury.

JLR Approved Certified Pre-Owned Details: * Up to 1-year/Unlimited Miles or 2-year/100,000 Miles (whichever occurs first) Vehicle must have minimum one year of coverage at point of sale * Roadside Assistance * Transferable Warranty * Warranty Deductible: \$0 * Vehicle History * 165 Point Inspection JLR Approved Certified Pre-Owned Coverage, including limited warranty and roadside assistance, expires up to seven years from the original in-service date or 100,000 miles, whichever comes first. Original in-service date is the earlier of the new-vehicle retail sale or in-use date, as reported to Jaguar Land Rover North America, LLC. Select vehicles may have the option for different warranty terms. Vehicles with the 7 years/100,000 miles limited warranty are limited in supply and only available at participating JLR Retailers. See your authorized Jaguar Land Rover Retailer for complete terms and conditions.
