Description

Discover refined capability and modern luxury with this 2026 Land Rover Range Rover Velar S, a vehicle designed for those who demand both style and substance in their daily drive. This Range Rover Velar S combines sophisticated engineering with contemporary comfort, offering an impressive blend of performance and refinement. Key features include:- Meridian 3D Surround Sound System with 750W output,- Head-Up Display for enhanced driving awareness,- Technology Pack with advanced conveniences,- Park Assist system for confident maneuvering,- Heated and Cooled Front Seats with driver memory,- 20" Wheels (style 7014),- Rear Seat Convenience Pack,- Apple CarPlay & Android Auto integration,- Pivi Pro Navigation System,- Power Moonroof for open-air enjoyment,- Automatic High-Beam Headlights with delay-off function,- Leather-appointed interior with power adjustable seating,- Four-Wheel Disc Brakes with Electronic Stability Control,- Speed-Sensing Rain-Sensing Wipers...Powered by a 2.0L turbocharged four-cylinder engine paired with an eight-speed automatic transmission and all-wheel drive, this Velar delivers capable performance with efficiency. The combination achieves 22 city and 26 highway MPG, making it practical for both urban navigation and longer journeys. With just over 8,000 miles, this vehicle represents an excellent opportunity for a buyer seeking a nearly-new Range Rover with contemporary technology and proven reliability. This vehicle has been certified, meaning it has undergone comprehensive inspection and reconditioning by Land Rover technicians, ensuring it meets exacting quality standards. With certification backing, you can drive with confidence knowing this Velar has been thoroughly evaluated and approved for the road ahead. The Velar's white exterior presents a clean, contemporary appearance that

complements its refined proportions. Inside, the grained leather seat trim, heated steering wheel, and ambient lighting create an inviting atmosphere for both driver and passengers. Premium conveniences like HomeLink garage door integration, automatic temperature control with rear zone capability, and a comprehensive airbag system demonstrate the thoughtful design throughout. This 2026 Range Rover Velar S represents a genuine opportunity to own a luxury vehicle with advanced technology, capable performance, and the assurance of certification backing your purchase. We invite you to visit our showroom to experience this vehicle firsthand and discuss how it can enhance your driving experience.
