This 2026 Land Rover Range Rover Velar S in striking blue delivers refined capability with a 2.0L turbocharged four-cylinder engine paired to an eight-speed automatic transmission and all-wheel drive, achieving 22 city and 26 highway mpg for balanced performance and efficiency.

- Head-Up Display

- Power Liftgate
- Pivi Pro Navigation System
- Rear Exterior Parking Camera
- Park Assist
- Power Moonroof
- Tow Hitch Receiver
- 20" Style 7014 Wheels
- Technology Pack
- Meridian Sound System with 12 Speakers and 400W Output
- Heated Front Seats with 14-Way Adjustment and Driver Memory
- Apple CarPlay & Android Auto
- Heated Steering Wheel
- Grained Leather Seat Trim

The Velar S combines comfort with capability, featuring automatic temperature control with front dual-zone air conditioning, power-adjustable driver and passenger seats, and steering wheel-mounted audio controls for convenient operation. The interior offers genuine leather accents and memory settings for both seat and steering wheel positions, ensuring your drive is personalized to your preferences.

Your safety is prioritized with a comprehensive suite including four-wheel independent suspension, electronic stability control, traction control, dual front and side airbags, and speed-sensing steering. Auto high-beam headlights with delay-off functionality adapt to driving conditions, while four-wheel disc brakes with ABS provide responsive stopping power.

Exterior features include auto-dimming door mirrors, body-color bumpers, heated mirrors, and rain-sensing wipers that respond to weather conditions. The power moonroof opens your view to the world, while the tow hitch receiver provides practical utility.
