The 2.0L Turbocharged engine paired with a 9-Speed Automatic transmission and All-Wheel Drive delivers responsive performance while achieving 20 city and 27 highway MPG. This efficient powertrain provides the capability you expect from a Range Rover without sacrificing fuel economy. The vehicle's well-balanced approach to performance and efficiency makes it practical for daily driving and weekend adventures alike.

Inside, the cabin presents a thoughtfully appointed environment with premium leather seat trim, heated front seats with driver memory adjustment, and heated rear seats for passenger comfort. The 12-speaker Meridian Surround Sound System with SiriusXM radio and Apple CarPlay and Android Auto connectivity keeps you engaged and connected. Navigation is handled by InControl Navigation Pro, while the Head-Up Display projects essential information directly into your line of sight, reducing distraction and enhancing safety.

Advanced technology features heighten your awareness and confidence on every drive. The Aerial Surround View Camera System and Blind Spot Assist work together to provide comprehensive visibility, while Adaptive Cruise Control reduces fatigue on longer journeys. The Heated Windscreen and Headlight Power Wash ensure optimal visibility in challenging weather conditions, and the power moonroof adds an open-air dimension to your driving experience.

Climate controls are comprehensive, with automatic temperature control, front dual-zone air conditioning, a rear window defroster, and a Heated Windscreen that work in concert to maintain comfort regardless of season. The Cold Climate Package and Comfort Package further enhance your ability to enjoy this vehicle year-round. Electronic Stability Control, four-wheel independent suspension, and four-wheel disc brakes with ABS provide the foundation for responsive, secure handling.

Used vehicles may be located at one of the Jim Coleman other dealerships and may be eligible for transfer upon request. If approved for transfer, it may take several days to process this request.
