Description

This 2026 Land Rover Range Rover Evoque S presents an exceptional opportunity to own a premium compact luxury SUV with exceptional capability and refinement. With just over 6,300 miles, this Gray beauty delivers the sophisticated style and advanced technology that defines the Range Rover legacy. The 2.0L turbocharged engine paired with nine-speed automatic transmission and all-wheel drive provides responsive performance, achieving an impressive 20 city and 27 highway mpg. Key Features: - Meridian Sound System with 12 speakers - SiriusXM satellite radio with AM/FM - InControl Navigation Pro system - Apple CarPlay and Android Auto compatibility - Heated front bucket seats with power adjustment - Grained leather seat trim - Automatic climate control with dual front zones - Panoramic sunroof - Power liftgate - Exterior parking camera with rear view - Electronic stability control and traction control - Emergency communication system: InControl Protect - Auto high-beam LED headlights with fog lights - Rain-sensing wipers This

Evoque S is equipped with a comprehensive suite of safety technologies including dual front and side impact airbags, overhead airbags, four-wheel independent suspension, four-wheel disc brakes with ABS, and electronic stability systems. Remote keyless entry, HomeLink garage door transmitter, and a security system provide peace of mind and convenience. We're confident in the quality of this vehicle and invite you to schedule your test drive today to experience the refinement and capability of this Range Rover Evoque S firsthand.
