Description

2026 Land Rover Range Rover Evoque S: Refined Luxury Meets Modern Versatility

Crafted for drivers who demand sophistication and athletic capability, the **2026 Land Rover Range Rover Evoque S** delivers an unmatched luxury experience. Finished in striking **Eiger Gray Metallic** over an **Ebony DuoLeather** interior, this compact luxury SUV seamlessly elevates everyday commuting and weekend getaways throughout the surrounding area. Its compact footprint makes navigating city streets effortless, while its iconic design silhouette ensures you arrive in style wherever the road leads. You can [find our Miami showroom](#)

ready to present this exceptional vehicle. As a **Factory Certified** model, it offers peace of mind for discerning drivers seeking premium quality, advanced engineering, and modern comfort.

Dynamic Performance and All-Weather Capability

Under the hood, the **2026 Land Rover Range Rover Evoque S** is powered by a **2L I-4 direct injection, DOHC, variable valve control, intercooled turbo, premium gasoline, engine with 246HP**. Paired with a smooth **9-Speed Automatic** transmission and **All Wheel Drive**, this luxury powertrain yields responsive acceleration and precise handling. The **Efficient Driveline automatic full-time AWD** system constantly monitors traction, transferring power where it is needed most to handle unexpected weather or varied road surfaces around the surrounding area. Drivers can tailor their driving dynamics with **Terrain Response 2** driver selectable modes, while **All Terrain Progress Control (ATPC)** off-road speed control and **Hill Descent Control** provide added confidence on challenging paths. Delivering an EPA-estimated **20 MPG city and 27 MPG highway**, this SUV effortlessly combines dynamic performance with daily efficiency.

Advanced Technology and Connected Convenience

Inside the quiet sanctuary of the cabin, the **2026 Land Rover Range Rover Evoque S** places intuitive technology right at your fingertips. The centerpiece of the dash is an **11.4 inch primary display touchscreen** running **InControl Navigation Pro**, offering crisp graphics and real-time traffic updates. Behind the leather-wrapped steering wheel, a **12.30 inch Interactive Driver Display** provides clear instrumentation and customizable vehicle data. Seamless smartphone integration is effortless thanks to **Apple CarPlay & Android Auto** smart device mirroring alongside convenient **front wireless smart device charging**. Audiophiles will appreciate the rich acoustic clarity of the **Meridian Sound System**, featuring a **400W amplifier** and **12 speakers**. Parking and maneuvering in tight spots are simpler than ever with the **3D Surround Camera** providing a comprehensive aerial view of your surroundings. If you have questions about tech features, feel free to [call our luxury sales team at \(305\) 909-4000](#) today.
