- Wheel Protection Pack with 19" Gloss Dark Grey wheels
- DuoLeather Seat Trim with Contrast Stitch
- Premium Interior Protection & Storage Pack

The Discovery Sport SE presents a sharp appearance in Blue, featuring thoughtful design elements like body-color bumpers, black roof rails, and fog lights that enhance both style and functionality. At just under 5,000 miles, this vehicle has barely broken in and provides the confidence of near-new condition with factory warranty support.

Powered by a 2.0L turbocharged four-cylinder engine paired with a nine-speed automatic transmission and all-wheel drive, this Discovery Sport balances efficiency with capability. The combination delivers 19 city and 23 highway mpg, offering reasonable fuel economy for an all-terrain vehicle. Electronic Stability Control, traction control, four-wheel disc brakes with ABS, and comprehensive airbag protection work together to provide security on any road surface.

Inside, the cabin reflects Land Rover's commitment to quality and comfort. The 12-way heated front seats with memory function keep you comfortable during longer journeys, while the automatic temperature control with front dual zone settings ensures personal climate preferences. The Pivi Pro navigation system integrates seamlessly with Apple CarPlay and Android Auto, keeping you connected and informed throughout your drive.

The split folding rear seat transforms cargo space for flexibility, while the power liftgate and rear seat convenience pack enhance daily practicality. Auto-dimming features, including the rear-view mirror and door mirrors, reduce glare during changing light conditions, and the rear window defroster clears visibility quickly in challenging weather.

This Discovery Sport SE is meticulously equipped to handle the demands of modern ownership—whether tackling weekend adventures or managing daily commutes. We invite you to visit our showroom to experience the quality and capability firsthand.
