Description

This vehicle won't be on the lot long! It just arrived on our lot this past week! The engine breathes better thanks to a turbocharger, improving both performance and economy. It includes leather upholstery, front and rear reading lights, power moon roof, and a split folding rear seat. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and load leveling rear suspension maintains a comfortable ride. With a friendly and knowledgeable sales staff, superb customer care, and competitive prices, our dealership is a great place to do business.
