The Cold Climate Package and Air Suspension Pack equip this Defender for varied driving conditions. Electronic air suspension provides adaptable ride quality, while the heated windscreen, headlight power wash, and adaptive dynamics technology enhance capability and visibility. The 19-inch gloss sparkle silver style wheels present a polished appearance while supporting the vehicle's composed handling through the four-wheel independent suspension and speed-sensing steering.

Safety remains paramount with dual front impact airbags, dual front side impact airbags, overhead airbags, and four-wheel disc brakes with ABS. Blindspot detection and the rear view camera enhance awareness, while electronic stability control and traction control systems work continuously to maintain composure on varied terrain.

This Land Rover Defender 110 S holds Land Rover Approved Certified Pre-Owned status, backed by a clean Carfax report. The combination of comprehensive features, premium materials, and certified protection makes this vehicle a sound investment for discerning buyers.
