Description

2026 Land Rover Range Rover Sport P530 Dynamic SE: Uncompromised Luxury and Command

The 2026 Land Rover Range Rover Sport P530 Dynamic SE is a premier luxury SUV designed for discerning drivers who demand commanding road presence, athletic capability, and supreme comfort. Finished in striking Obsidian Black Metallic over a Deep Garnet/Ebony interior with Windsor leather front seat upholstery, this factory certified vehicle represents the pinnacle of modern British automotive craft. Whether navigating coastal highways or cruising through the surrounding area on daily errands, this luxury performance SUV provides an unmatched blend of sophisticated styling, effortless confidence, and total serenity behind the wheel.

Performance & Capability

Under the hood, the 2026 Range Rover Sport P530 Dynamic SE features a high-performance 4.4L V-8 direct injection, DOHC, variable valve control, twin turbo, premium gasoline, engine with 523HP paired with an effortless 8-Speed Automatic transmission. Power is seamlessly distributed through a full-time All Wheel Drive system that delivers exceptional traction across changing weather and road conditions. Engineered with Dynamic Response Pro predictive ride suspension and an auto-leveling front and rear suspension system, this vehicle dynamically adapts to driver inputs and road surface irregularities. Driver-selectable drivetrain modes, Terrain Response 2 Auto electronic stability control with anti-roll, and an Electronic Active Differential with TVbB electro-mechanical limited slip differential work together to ensure responsive handling, maximum driver control, and refined cruising capabilities wherever your journeys take you.

Technology & Connectivity

Step inside an elevated cockpit dominated by modern luxury and intuitive driver-focused technology. The center stack features a 13.1-inch primary display with a Touch Pro Duo touchscreen integrated with Pivi Pro integrated navigation system with voice activation, giving you instant access to real-time traffic and route guidance. A 13.7-inch Interactive Driver Display provides configurable instrumentation gauges right behind the steering wheel, keeping essential metrics effortlessly in view. Smartphone integration is seamless thanks to Apple CarPlay and Android Auto wireless connectivity, complemented by front wireless smart device charging and 5 USB ports throughout the cabin. Sound is delivered through a Meridian Surround Sound system with 15 speakers, while built-in Amazon Alexa provides convenient voice controls for hands-free operation.
