Land Rover's certification process ensures this Evoque has met rigorous quality standards and is ready to deliver dependable service. You're protected with comprehensive coverage that reflects

our commitment to your satisfaction and peace of mind on every journey. The 2.0L turbocharged engine paired with a 9-speed automatic transmission and all-wheel drive provides capable performance whether navigating city streets or venturing beyond. Achieving 20 city and 27 highway MPG, this Evoque balances responsive driving dynamics with efficient fuel consumption. The refined powertrain delivers smooth acceleration while maintaining the composure you expect from a premium compact luxury SUV. Inside, the cabin welcomes you with grained leather seat trim and front bucket seats designed for comfort during extended drives. The 12-way heated electric front seats with driver memory allow you to personalize your driving position, while the heated door mirrors and automatic climate control adapt to changing conditions. Speed-sensitive steering and four-wheel independent suspension work together to provide a composed, controlled driving experience on any road surface. Safety and connectivity are seamlessly integrated throughout this Evoque. Dual front airbags, dual front side impact airbags, and overhead airbags surround occupants with protection. The InControl Protect emergency communication system keeps you connected to assistance when needed. Apple CarPlay and Android Auto ensure your smartphone integrates effortlessly with the cabin, while the navigation system and steering wheel mounted audio controls keep your attention where it belongs. We invite you to visit our showroom and discover what this 2026 Land Rover Range Rover Evoque S can offer you. Schedule a test drive today and experience firsthand how this vehicle combines luxury, capability, and intelligent technology for the premium driving experience you deserve.
