Description

What a great deal on this 2023 Land Rover! This is a superb vehicle at an affordable price! A turbocharger is also included as an economical means of increasing performance. With fewer than 5,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. All of the following features are included: power front seats, fully automatic headlights, and more. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. Stop in and take a test drive!
