Description

This 2021 Land Rover Range Rover Westminster combines sophistication with capability, offering an exceptional driving experience in a meticulously maintained package. - InControl Navigation Pro - 825W Meridian Surround Sound System with 19 speakers - Apple CarPlay Android Auto - 20-Way Heated and Cooled Front Bucket Seats with Windsor Leather - Heads-Up Display - 360 Parking Aid with Rear Traffic Monitor - Adaptive Suspension with Auto-Leveling - Heated Steering Wheel - Power Moonroof - High-Speed Emergency Braking and Traffic Sign Recognition - Blind Spot Assist with Clear Exit Monitor - Dual Zone Climate Control with Rear A/C - 21" Split-Spoke Gloss Silver Alloy Wheels - HomeLink Garage Door Transmitter - Four-Wheel Independent Suspension This Westminster showcases the refinement Land Rover is known for with its supple leather appointments, genuine wood accents throughout the cabin, and premium comfort features. The 3.0L inline-six engine paired with an eight-speed automatic transmission delivers smooth, responsive power,

while the four-wheel drive system ensures capable performance across varied terrain and weather conditions. With 18 MPG city and 23 MPG highway, this luxury SUV balances performance with efficiency. The driver's environment reflects meticulous attention to detail. Heated and ventilated front seats with 20-way power adjustment accommodate individual preferences, while memory functions for both seats and steering wheel ensure your preferred settings are instantly available. The panoramic power moonroof floods the cabin with natural light, and the Heads-Up Display keeps vital information at your line of sight. Technology seamlessly integrates into your driving experience. The InControl Navigation Pro system guides you with precision, while the 825W Meridian surround sound system with 19 speakers transforms every drive into an audio experience. Apple CarPlay and Android Auto keep your smartphone connectivity effortless, and SiriusXM radio provides entertainment options throughout your journey. Safety systems work quietly in the background, providing peace of mind. High-Speed Emergency Braking, Traffic Sign Recognition, and Blind Spot Assist combine with the 360 Parking Aid to support confident driving in any situation. The comprehensive airbag system, anti-whiplash front head restraints, and stability control technology are engineered to protect occupants. This super clean and well-maintained Westminster stands ready to deliver the commanding presence, luxury, and capability that defines the Range Rover experience. We invite you to schedule a viewing and discover how this vehicle meets your expectations for refined SUV ownership.
