Description

2026 Land Rover Range Rover Sport P360 SE: Sophisticated Luxury Meets Modern Performance

Introducing the certified 2026 Land Rover Range Rover Sport P360 SE, finished in stunning Santorini Black Metallic over an Ebony interior with **Windsor Leather Front Seat Upholstery**. Engineered for drivers who demand refined elegance alongside capable engineering, this luxury SUV provides an unmatched presence on coastal highways and open roadways alike. Featuring **LOW MILES**, exceptional dynamic poise, and a commandingly tailored cabin, it offers a seamless blend of daily executive comfort and weekend exploration versatility. The striking **Black Exterior Pack** complements the sculpted body lines, while advanced climate and seating controls ensure every journey remains effortless. If you are seeking an elevated driving experience with uncompromised prestige, this Factory Certified vehicle stands ready for your next journey. You can give our sales team a call to learn more about availability or schedule a private demonstration.

Dynamic Power and Advanced All-Terrain Capability

Under the bonnet, the Range Rover Sport P360 SE is powered by a 3L I-6 direct injection, DOHC, variable valve control, intercooled turbo, premium gasoline, engine with 355HP. This mild hybrid powertrain is paired with a responsive 8-Speed Automatic transmission and full-time **All Wheel Drive**, delivering instant throttle response and composed cruising performance. Advanced chassis control systems, including **Adaptive Dynamics Predictive Ride Suspension** and **Auto-Leveling Front and Rear Suspension**, constantly read road surface inputs to optimize ride quality and body control. Driver-selectable drivetrain modes work in tandem with **Terrain Response 2 Auto Electronic Stability Control System with Anti-Roll** to navigate changing road conditions with complete

confidence. Off-road features like **Hill Descent Control (HDC)** and **All Terrain Progress Control (ATPC)** ensure maximum traction, while the **Electronic Transfer Case Shift** seamlessly distributes power. For driver convenience, you can easily adjust vehicle height via keyfob air suspension controls before setting off. Feel free to plan your visit to our showroom to experience this impressive dynamic setup in person.

Cutting-Edge Infotainment and Driver Assistance

Inside the driver-centric cabin, state-of-the-art technology takes center stage. The intuitive **Pivi Pro Integrated Navigation System with Voice Activation** is displayed on a crisp 13.1-inch primary display, offering real-time traffic updates and seamless guidance. Drivers enjoy customizable vehicle readouts via the **Interactive Driver Display Configurable Instrumentation Gauges** set within a 13.7-inch cluster screen. Wireless **Apple CarPlay & Android Auto** smart device integration and front **Wireless Smart Device Charging** keep your devices connected without clutter. Audio is delivered through the premium **Meridian Sound System** with 15 speakers and a 400W amplifier, providing immersive sound clarity. Safety is paramount with **Adaptive Cruise Control with Steering Assist**, **Blind Spot Assist**, **3D Surround Camera**, and **Emergency Braking Pedestrian Impact Prevention**. To learn more about these digital features, contact our technology specialists today.
