- Apple CarPlay & Android Auto
- Windsor Leather Seat Trim
- Wi-Fi Enabled with Data Plan
- Manual Heated 3rd Row Seats

- 20" Style 5095 Wheels
- Auto High-beam Headlights

Under the hood sits a capable 3.0L I6 engine paired with an 8-speed automatic transmission and 4WD, delivering a balanced combination of power and efficiency. With an EPA rating of 17 city and 22 highway MPG, this Defender provides dependable performance whether navigating city streets or venturing off the beaten path.

The interior showcases thoughtful luxury details designed for your comfort. The power moonroof floods the cabin with natural light, while the connected navigation system keeps you oriented on any route. You'll appreciate the 14-way heated and cooled seats that adjust to your preferences, the heated steering wheel that responds to cold mornings, and the heated windscreen that clears quickly in winter conditions. The three-zone climate control ensures every passenger finds their ideal temperature.

Technology integration seamlessly connects your digital life to the road. Apple CarPlay and Android Auto allow you to access your favorite apps and music, while the 400W Meridian sound system with 11 speakers delivers rich audio quality. SiriusXM satellite radio provides entertainment options wherever your route takes you, and Wi-Fi capability keeps you connected throughout your travels.

Safety and convenience features round out this well-appointed package. The dual front and side impact airbags provide additional security, while the trailer hitch with electrical connector offers versatility for hauling your gear. Four-wheel independent suspension and electronic stability control work together to keep you grounded through challenging conditions.

With 58,709 miles, this Defender 110 HSE has been well-maintained and is ready to serve you well into the future. We invite you to visit our showroom for a closer look at this impressive vehicle and to take it for a test drive. Our team is here to answer your questions and help you make the right choice for your next vehicle.
