Description

Check out this 2026! Luxury redefined! The engine breathes better thanks to a turbocharger, improving both performance and economy. Top features include power front seats, a built-in garage door transmitter, tilt steering wheel, and air conditioning. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are extremely helpful knowledgeable. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
