Description

Our highly capable Accident Free 2020 Land Rover Defender 110 AWD in Fuji White is here to explore endless possibilities! Powered by a Twin-TurboCharged 2.0 Liter 4 Cylinder serving up 296hp matched with an 8 Speed Automatic transmission for bold performance. And with a Terrain Response system and an adaptive electronic air suspension, this All Wheel Drive four-door SUV is ready to tackle tough trails, wade through water that's more than 35 inches deep, and see nearly 20mpg on the highway. Immediately recognizable, our Defender blends heritage-inspired style with modern details like LED lighting, heated power mirrors, rugged roof rails, and 18-inch alloy wheels. The 110 cabin supports you 100% with semi-powered heated fabric front seats, a leather-wrapped heated steering wheel, keyless entry, and an exposed powder-coated cross-car beam that adds robust strength while doubling as a handy shelf. The versatile interior offers plenty of room for gear, too, along with a sophisticated Pivi Pro infotainment system that bundles a 10-inch touchscreen, full-color

navigation, Android Auto, Apple CarPlay, Bluetooth, and a six-speaker sound system. Smart Land Rover safety measures include a surround-view camera system, automatic braking, lane-keeping assistance, a blind-spot monitor, and more. A fantastic fusion of form and attitude, our Defender is a re-imagined icon like no other. Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
